**BEN BRUNKOW, Camp Director,** has been teaching tennis for over 28 years. He is a 2-time USTA National champion, and has been ranked Top 5 in Southern California in both singles and doubles. In 2001, he and his father were ranked #1 in the nation in Father/Son doubles. He spent two summers playing pro tennis for a team in Bremen, Germany, where he helped them win their league.

He likes competing, but he loves teaching (especially his 2 sons!) Born with both the "happy" and "energy" genes, Ben brings lots of positive enthusiasm to the table. His goals are to help every student improve, learn, and love the game of tennis while making every on-court experience FUN, FUN, FUN!
